ABOUT US

ENRICHING LIVES THROUGH DANCE

Swindon Dance's Centre for Advanced Training (CAT) delivers world-class dance training to young talents aged 11-19. Our programmes cater to dedicated dancers with a passion for their art.

Comprising the Swindon Street Dance, Swindon Ballet, Swindon Contemporary and Exeter Contemporary programmes, we are one of nine National CATs across the UK.

ABOUT THE PROGRAMME

Nestled within Swindon Dance, the Swindon Street Dance programme runs weekly on Sunday afternoons from 11am to 4:30pm during term time. Under the tutelage of industry-leading choreographers and artists, students delve into skills and techniques of:

- hip hop
- popping
- breaking
- house
- commercial
- improvisation
- choreography

Talented young dancers join us from the South West to embark on this transformative journey. Supported by the Music and Dance Scheme under the Department for Education, grants make our training accessible, often free or at a subsidised fee*. We're also committed to alleviating additional financial burdens, covering travel, class reimbursements outside of those offered by CAT, performance tickets, and physiotherapy sessions when necessary.

For prospective dancers, we strongly recommend attending our free Open Day or Experience Day as a vital introduction to our world of dance excellence.
