Further Costs

The annual company fee does not cover the cost of travel to performance events. The cost of travel may need to be covered by the SYDCo member, and we may ask for contributions towards it. We will try to keep the costs as low as possible arranging fundraising to help support this.

Performance tickets and a company T-shirt are included in the annual fees. We will also attempt to provide costumes needed for any performances. However, in some cases, we may ask that you source certain items. We advise that these notes be used as a guidance only.
